

Summer Report 2022

Thank you for being the hands and feet of Jesus.

There is so much to be grateful as we look back over the last several months. Through this report, you'll see how lives have been changed because of your generosity. Not only are you making a difference – you are helping people follow Jesus.

Summer Camps

This summer featured some incredible new ways for people to experience Camp on the Boulder.

- There were six weeks of kids and student camps.
- New summer camps like Haven and Arise are reaching new people and creating unique opportunities for specific groups.
- New improvements and construction will continue to provide ways for people to encounter God and others in a life-transforming way.

Throughout all Summer Camps across 10 grades we hosted **846 students** at Camp on the Boulder! Of those, **208 made a decision to follow Jesus** at camp. It takes an army of team members to make camp happen every year, and this year there were **368 people** sacrificially gave your time and energy to see God move in the lives of students. Thank you all who gave and served at camp this year!

Would you continue to partner with us praying that God would do incredible work in the lives of everyone who spends time at Camp on the Boulder? We are expectant!

Summer Baptisms

Baptism is an outward expression of an inward decision to follow Jesus for the rest of our lives. This summer, we had the privilege of celebrating with individuals who made the decision to get baptized at our outdoor baptism celebration! During the event we had music, food, and games to celebrate the occasion where **67 people** were baptized, which means that **94 people** have been baptized so far in 2022!

A Letter From Pastor Nate

Dear Friends,

Thank you very much for your generosity over the spring months! Through our giving, people are meeting Jesus, finding freedom, and growing as disciples.

Recently, during our Easter Services, I was struck by how many people are involved each week in creating an environment where people can encounter Jesus. I am so grateful for each person who greets with a warm smile, invests in each child, provides leadership for small groups, ensures a safe environment – and gives to make the whole thing possible!

Each time we give a mission report, baptize someone, or celebrate a decision to follow Jesus, there is a direct correlation to your giving. Your generosity makes it all possible.

I suppose my emotions run parallel to a verse found in 1 Chronicles that describes the building of the temple.

**“The people rejoiced over the offerings, for they had given freely and wholeheartedly to the Lord, and King David was filled with joy.”
1 Chronicles 29:9**

I love the joy that characterized both the people and David. May we be filled with joy as we give freely and wholeheartedly to the Lord!

Thank you!

Pastor Nate
